THURNE RESTRICTED CLASS CRUISER

1980 MODEL
A classic Norfolk Broads sailing cruiser

£14,000

Thyra

The Thurne Restricted Class sailing cruiser, a cabin version of the Yare & Bure One Design (YBOD) or "White Boat", is known for her impeccable sailing performance, whether sailed single-handed or with crew. With her GRP hull and timber superstructure, she blends the advantages of modern materials and low-maintenance construction with the grace and traditional character of a Norfolk Broads river cruiser.

"Thyra" was built in 1980 by Kingsley Farrington. She features a GRP hull and deck with mahogany cabin sides and upper works. Her mast, gaff, and boom are constructed from pine, with stainless steel and polyester rigging. Her sails were made by McNamara Sails.
