

LADY HAZEL RCC SAIL No 322

For Sale. £32,000

Lady Hazel is a Farrington 30 River Cruiser built in 1993 with a GRP hull. She is in excellent condition, sails beautifully and is very comfortable to live on. We have owned her for 14 years and enjoyed her tremendously but now that our family have grown up we plan to downsize.

She sleeps five with a double and one single berth in the main cabin and two single berths in the fore cabin.

She has a two burner cooker with oven, a fridge, shower, hot water heater and new Jabsco toilet fitted in 2025.

We had a Nanni diesel engine fitted in 2013. New Stormforce cover made in 2022
2 suits of sails - cruising and racing with topsail and spars.

She currently overwinters at Swallowtail boatyard and has regular varnishing work carried out each winter.

Boat safety certificate until 9/28
